

JOIN THE MAUZY PARENTS' CLUB TODAY!

The Mauzy Foundation is a parents group that raises money to support the special education students at the Mauzy School and its affiliated classes (Green Valley Elementary, Los Cerros, Lafayette Elementary, Woodside, Ygnacio Valley High, Diablo Valley College). We are open to all parents/guardians/interested friends and family members.

Each year we award approximately \$20,000 in classroom grants to supply items and programs that the teachers request to enhance the educational experience. This includes \$15,000 for the **MUSIC THERAPY** that the students love! We also host fun activities for the students, such as a spring party with petting zoo.

In order to continue to provide these activities and classroom grants, we really need your support! Membership dues are just \$40, but any extra donations are greatly appreciated. We also need some people to get involved with the Mauzy Foundation, because we are short staffed. If we don't get more help with fundraising, we may not be able to provide music therapy and other extras.

If you have any questions or would like to help, please contact Helen Bernett at 210-0463 or MauzyFoundation@gmail.com.
